As part of this process, it is an expectation that you have spent considerable time reading information, viewing the Senior School Subject Selection presentation, talking with your family and thinking about your Senior School program for the coming year.

You should have consulted the EHS Year 10 Subject Handbook and may have consulted some or all of these people for assistance: Ross Pringle (Pathways & Transition Coordinator), Senior School and VET/VCAL Coordinators as well as classroom teachers.

Remember to choose:

- Subjects that you are good at and like doing;
- The hardest Mathematics you were recommended for (Attach a printout of your maths recommendation to your course selection form);
- Other subjects that are pre-requisites for possible tertiary courses

**The Two Step Process for Subject Preference Selections:**

<p>1. <b>Select your subject preferences for 2022.</b> When complete, please review your selections carefully and enter your subject preferences on the Webchoice database.</p> <p>The Webchoice database link will be sent to your school email address, including your username and password for logon.</p> <p>2. You must print your completed Webchoice form and have the printout signed by a parent or guardian.</p> <p><b>The signed Webchoice form must be submitted with this form to the Senior School Office no later than Monday, 9 August 2021.</b></p>
