

Year 7 Parent Payment Arrangements 2023

Dear parent/guardian,

Eltham High School is looking forward to another great year of teaching and learning and would like to advise you of Eltham High School's voluntary financial contributions for 2023.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

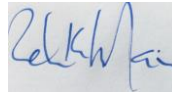

Department of Education guidelines now mandate that schools are UNABLE to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended voluntary financial contributions detailed herewith for an indication of contributions for your child/ren.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,

Vincent Sicari
Principal

School Council President

- All refunds must be applied for in writing, other than when the School cancels an activity.
- Parents/families/guardians must apply for a refund no later than 14 days after the activity taking place including the reason the student did not attend.
