

ELTHAM HIGH SCHOOL

POLICY DOCUMENT

Child Safety

INTRODUCTION

The Eltham High School Child Safety Policy demonstrates our school's commitment to creating and maintaining a child safe and child-friendly organisation, where children and young people are safe and feel safe.

This policy provides an overview of our school's approach to implementing Ministerial Order 1359 which sets out how the Victorian Child Safe Standards apply in school environments.

It informs our school community of everyone's obligations to act safely and appropriately towards children and guides our processes and practices for the safety and wellbeing of students across all areas of our work.

PHILOSOPHY

Eltham High School has no tolerance for child abuse and we take proactive steps to identify and manage any risks of harm to students in our school environments. We promote positive relationships between students and adults and between students and their peers. These relationships are based on trust and respect.

We take proactive steps to identify and manage any risk of harm to students in our school environment. When child safety concerns are raised or identified, we treat these seriously and respond promptly and thoroughly.

Particular attention is given to the child safety needs of Aboriginal students, those from culturally and linguistically diverse backgrounds, international students, students with disabilities, those unable to live at home, children and young people who identify as lesbian, gay, bisexual, trans and gender diverse, intersex and queer (LGBTIQ+) and other students experiencing risk or vulnerability. Inappropriate or harmful behaviour targeting students based on these or other characteristics, such as racism or homophobia, are not tolerated at our school, and any instances identified will be addressed with appropriate consequences.

POLICY STATEMENT

Eltham High School is a child safe organisation which welcomes all children, young people and their families.

We are committed to providing environments where our students are safe and feel safe, where their participation is valued, their views respected, and their voices are heard about decisions that affect their lives. Our child safe policies, strategies and practices are inclusive of the needs of all children and students.

Child safety is a shared responsibility. Every person involved in our school has an important role in promoting child safety and wellbeing and promptly raising any issues or concerns about a child's safety.

We are committed to regularly reviewing our child safe practices, and seeking input from our students, families, staff, and volunteers to inform our ongoing strategies.

GUIDELINES FOR IMPLEMENTING THE POLICY

The responsibilities of the child safety champion are outlined at [Guidance for child safety champions](#).

Our principal and child safety champion are the first point of contact for child safety concerns or queries and for coordinating responses to child safety incidents.

Child Safety Code of Conduct

Our Child Safety Code of Conduct sets the boundaries and expectations for appropriate behaviours between adults and students. It also clarifies behaviours that are not acceptable in our physical and online environments.

We ensure that students also know what is acceptable and what is not acceptable so that they can be clear and confident about what to expect from adults in the school.

The Child Safety Code of Conduct also includes processes to report inappropriate behaviour.

Managing risks to child safety and wellbeing

At our school we identify, assess and manage risks to child safety and wellbeing in our physical and online school environments. These risks are managed through our child safety policies, procedures and practices, and in our activity specific risk registers, such as those we develop for off-site overnight camps, adventure activities and facilities and services we contract through third party providers for student use.

Our Child Safety Risk Register is used to record any identified risks related to child abuse alongside actions in place to manage those risks. Our school leadership team will monitor and evaluate the effectiveness of the actions in the Child Safety Risk Register at least annually.

Establishing a culturally safe environment

At Eltham High School we are committed to establishing an inclusive and culturally safe school where the strengths of Aboriginal culture, values and practices are respected. We think about how every student can have a positive experience in a safe environment. For Aboriginal students, we recognise the link between Aboriginal culture, identity and safety and actively create opportunities for Aboriginal students and the Aboriginal community to have a voice and presence in our school planning, policies, and activities. Our school values are central to our approach of promoting cultural safety in our school community, supported by our Policy – Inclusion, Diversity and Respect.

Student empowerment

To support child safety and wellbeing at Eltham High School, we work to create an inclusive and supportive environment that encourages students and families to contribute to our child safety approach and understand their rights and their responsibilities.

We inform students of their rights through our whole school approach to Respectful Relationships and give them the skills and confidence to recognise unsafe situations with adults or other students and to speak up and act on concerns relating to themselves or their peers. We ensure our students know who to talk to if they are worried or feeling unsafe and we encourage them to share concerns with a trusted adult at any time. Students and families can also access information on how to report concerns at through their sub-school or Student Services.

When the school is gathering information in relation to a complaint about alleged misconduct or abuse of a child, we will listen to the complainant's account and take them seriously, check our understanding of the complaint, support the student and keep them (and their parents and carers, as appropriate) informed about progress.

Family engagement

Our families and the school community have an important role in monitoring and promoting children's safety and wellbeing and helping children to raise any concerns. To support family engagement, at Eltham High School we are committed to providing families and community with accessible information about our school's child safe policies and practices and involving them in our approach to child safety and wellbeing.
